

ALP

Alkaline phosphatase

Orthophosphoric monoester phosphohydrolase (EC 3.1.3.1)

for Enzyme immunoassay

from Calf intestine

Specification

Specific Activity

IU/mg protein

Purity

Specifications
>2,500 units

≥97% (HPLC)

Preparation

Product Code : ALP-24
About 18 mg/mL

Storage

1°C ~ 10°C

OYC No./Package

OYC No.	Package
47828024	3 mg
47829024	15 mg
47825900	Bulk

(Research reagent use only, not for medical use.)

ALP (High specific activity)

Alkaline phosphatase

Orthophosphoric monoester phosphohydrolase (EC 3.1.3.1)

for Enzyme immunoassay

from Calf intestine

Specification

Specific Activity

IU/mg protein

Purity

Specifications
>5,000 units

≥97% (HPLC)

Preparation

Product Code : ALP-55
About 10 mg/mL (50% Glycerol solution)

Storage

-25°C ~ -15°C

OYC No./Package

OYC No.	Package
47785055	1 mg
47787055	5 mg
47785955	Bulk

Feature

MW	150 kDa
Optimum pH	9.8
pH stability	6~9

(Research reagent use only, not for medical use.)
