

SA-HRP

Streptavidin-horseradish peroxidase conjugate for Enzyme immunoassay

Specification

Activity

IU per mL

Specifications

>50 IU/mL (25°C, pH 7.0)

Application

This product is useful for detecting biotinylate substance (e.g. immuno blotting, ELISA, immunity tissue staining)

Preparation

50% Glycerol solution included 10 mmol/L Na-PO₄ and 0.15 mol/L NaCl₂, pH 7.2±0.2

Storage

1°C~10°C

OYC No./Package

OYC No.	Package
47379000	1 mL
47379900	Bulk

(Research reagent use only, not for medical use.)
